

**Franconia Elementary**  
**School Rewards Programs**

September 2017

Dear Parents,

The Home & School Association has identified several school rewards programs that provide us with a way to supplement our fund raising efforts. Funds raised are used for classroom technology and equipment, teacher grants, field trips, assemblies, family events, and summer Book Blasts. Please consider supporting Franconia if you shop or dine with following companies:

- ★ **Amazon**: Shop through [smile.amazon.com](http://smile.amazon.com). Select Franconia Home and School Association as the organization to support, making sure it says Souderton, PA. That's it. Once you've selected Franconia Home and School Association it will be set for future visits (as long as you shop through [smile.amazon.com](http://smile.amazon.com), not just amazon.com).
- ★ **Box Tops for Education**: Please continue to collect Box Tops from products such as Cheerios and Chex cereals, Bisquick, Betty Crocker, Pillsbury, and Ziploc to name a few of the many that are listed on [www.boxtops4education.com](http://www.boxtops4education.com). We earned a total of \$2491 last year. You can also download the Box Tops app for your phone and earn bonus points that go towards our school total.
- ★ **Giant A+ Rewards**: This program runs from October through March each year and more information will be sent home in the fall. This past year we earned \$4300 in Giant A+ Rewards.

Thanks so much for helping to make Franconia a special place for our students!

Franconia Home & School Association
