

FOR NEXT YEAR

SUGGESTED THIRD GRADE SUPPLIES

In case you wish to shop for school supplies during the summer and take advantage of sales, we are sending you this list of suggested items which would be of use in third grade.

- 4 black & white marble composition books
- Regular markers (thick and/or thin)
- Colored pencils
- Pencils
- 2 Glue sticks
- Crayons
- 2 boxes of tissues
- 4 White board markers

Please do not send a trapper keeper to school with your child; we do not have room for them. All general supplies will become part of the classroom community so labeling with your name will not be necessary.

We look forward to seeing your child in the fall.

Sincerely,

Third Grade Teachers
