Dear Franconia First Grader,

Hi! My name is Mrs. Gojeski and I CAN NOT WAIT to be your 1st grade teacher this year! You are going to love first grade! This year you are going to grow so much as a reader, writer, and mathematician! You will also learn more about being a good friend and how to be a problem solver!

I want to learn all about you, but first, I need to tell you a few things about myself! I live in Pennsburg with my husband Bryan, our daughter Adeline, and son Theo. I'm sure you will hear lots of silly stories about them this year!! I love to do crafts, read, and play the cello in my free time. This summer I went to the beach and had a lot of other fun adventures! I can't wait to get to know you, hear about your summer, and start our year together!

Here are a few things that will help you to be ready on the first day. First, please bring a healthy snack for you to eat every day so that you have plenty of energy to grow and learn. Second, make sure you have lunch with you or lunch money in your account. Third, talk to someone at home about your dismissal plan so that you know how you are getting home on the first day of school. Please wear a nametag with your first and last name, and how you are getting home (bus #, Kids Kare or car rider).

This is going to be an exciting year filled with learning adventures! We are going to have a lot of fun learning and growing together! I can't wait to get to know you better! Have a fantastic rest of your summer!! See you soon!

Your First Grade Teacher,

Mrs. Gojeski
